Fire comes unexpectedly. It is folly to be unprepared with a fire insurance policy, especially when the cost is so small.

Preparedness should be the motto for the nation and the property owner.

I will gladly give you rates and information concerning any insurance you might want.

A dollar deposited now will be the acorn of your future. Just as surely as you make the start the oak of financial independence will grow, provided you are interested in making it grow. Young men who spend all their money as they make it will be surprised to see how rapidly money will accumulate, once the saving habit is formed. NOW is the time to start—resolve to do it pay day.
